CHAMPION AND RESERVE CHAMPION AWARDS IN ALL CLASSES

ENTRY REFUND POLICY

If an entry is cancelled, all fees will be forfeited. No refunds shall be given except in the event of the death or a disabling injury to a horse. The owner of said horse must provide written verification of such from a Veterinarian. Any veterinary fees will be the responsibility of the horse owner. If the owner provides written verification after September 7th but prior to September 12th, the owner will be refunded the add back portion of the entry fees and the judges fee (if applicable). After September 12th, no refunds will be given. Failure to meet the above requirements will result in forfeiture of all entry fees.

SUBSTITUTION POLICY

After the September 7th deadline an injured horse may be substituted within the class if written verification from an approved Veterinarian is received and a \$100 substitution fee is paid. The substituted horse must belong to the same owner and a copy of the registration certificate must be provided. If the substitution is received after the draw but prior to the start of the event the substituted horse will work in the original draw position.

CLASS ENTRY/REPLACEMENT SLOTS

Class Entry/Replacement slots are available if an owner needs to scratch an entry but does not have a horse to substitute in the slot. This slot may now be sold to another owner that has a horse for that slot. Class entry/replacement slots cannot change classes or divisions. Slots may be sold up to 5:00 PM the day before the class starts. The seller of the slot must submit written confirmation naming the buyer of the slot. The buyer must submit a completed entry form, a copy of the horse papers and pay the \$100 class entry/replacement slot fee prior to 5:00 PM the day before the class starts. Available slots will be listed on the Canadian Supreme website.

TIE BREAKERS

- #1 – Cow Horse Competitors:** In the case of a tie for first place, the champion shall be determined by the highest cow work score. If a tie remains then; a work off between tied competitors, cow work only, or if mutually agreed upon the contestants will be declared Co-Champions and a coin will be flipped for the prizes.
- #2 – Cutting Competitors:** If there is a tie for first place at any major NCHA event, a work-off, may be held. The highest score in the work-off determines the champion of the event, with the second highest score being the reserve champion. However, prize money is equally split between the horses tied for first place regardless of the outcome of the work-off.
- #3 – Reining Competitors:** All ties for 1st place will be broken if the tied exhibitors agree to a run-off. Tied exhibitors may choose not to run-off, agreeing instead to be named co-champions, but must determine the winner of the awards by a mutually agreed upon tiebreaker such as a flip of a coin. However, when one exhibitor opts to run-off and the other does not, the exhibitor who declines to run-off will forfeit 1st place to the other(s).
